Students & Families:

First and foremost, I cannot express our appreciation enough for the support of students, families and staff during the mold issue at West Penn Elementary. The cooperation has been tremendous and has allowed for quality education to continue.

Cleaning has been performed by certified professionals meeting the criteria for re-entry to the building. In addition, air quality tests have been performed. It is expected that we will receive notice of favorable results on our final room over the weekend. Should that room not meet the required threshold, it will not be utilized until it receives final clearing. Regardless of that test, the building has been deemed safe for occupancy by students and staff.

Beginning on September 10, 2018 students will return to West Penn Elementary. To prepare for their arrival, we will have a two-hour delay for **West Penn Students Only**. The schedule is as follows:

September 10, 2018

Students Return to Regularly Assigned Buildings  
West Penn Students Only- 2-Hour Delay  
Original Dismissal Time for All K-12 Students

September 11, 2018

All Students- Normal Schedule

Again, thank you to all members of our school community who have rallied in support of our students and staff. Should you have any questions, please contact me.

Sincerely,
