

The William and Florence Fegley & Family Scholarship

This \$5000 award is presented to an excellent academic student who is planning to attend a school of higher learning and major in the field of Accounting, Finance or Economics or similar business related field. The candidate will demonstrate active participation in community service throughout their high school experience as well as the need for financial support. The applicant will submit an essay to support their application and request consideration for the scholarship. Should there be no acceptable candidate, this award is offered to any excellent academic student attending a school of higher learning with evidence of community service and financial support. The Fegley family will review and select the winner of this award under the guidance of the Achievement Committee.
