

TITLE I MATH GUIDELINES

A. Student Responsibilities

- Be prepared for class each day with Chromebook, pencil, 3-ring binder, planner, calculator and homework.
- Log in to Google Classroom EVERY day during your assigned class period. Check the classwork tab for daily assignments. Record assignment in planner.
- The 3-ring binder will be used to keep notes for each lesson that can be used to study from before each assessment and for help with homework.
- Homework must be completed in pencil with all work shown.
- If absent, you are responsible for missed work. Please check the google classwork tab and contact the teacher by email if you have any questions.
- Calculators can be used as long as work is shown on paper.
- Tutoring is available during 9th period Flex and after school from 2:30-3:00 in room 370 when scheduled with teacher as needed.
- Get planner signed by parent/guardian at the end of each week.

B. Grading ****Grades will be based on the following****

- Assessments (tests or quizzes)
- Projects
- Homework
- Preparation

****Tests will be worth 100 points and the point value of other items will vary. All test scores will be posted in the Focus grading portal, but any hardcopy tests will stay in the student's folder and kept in the classroom. Please contact the teacher to see a test or for a conference. ****

****Homework can be graded on completion or on accuracy. Homework that is not handed-in on time will be due on the day of the assessment or will count as a zero.**

Google Classroom, Delta Math(www.deltamath.com) and IXL will be the main focus to teach the curriculum this year which is aligned to the PA Common Core standards. Students will also use XtraMath to increase their math fact fluency. Students will use their username and password as assigned by the school. Standards can be viewed at www.pdesas.org

Check grades on-line on the school webpage www.tamaquasd.org

Click the link for Focus grades on-line.

Click faculty to check each teacher's webpage.

Contact info for teacher: mfrantz@tamaquasd.org (Mrs. Megan Frantz) or apedron@tamaquasd.org (Ms. Autumn Pedron) or call 668-1210.

*******If you would like to receive notices about tests, quizzes, and special class announcements, please join my class through the Remind app. See separate page with directions and class code.**

*******Please like the Tamaqua Area Middle School FaceBook page.**

Please return this signed paper to Mrs. Frantz room 370.

Please review the paragraph below and then fill out this form, as this will be my way of contacting you when necessary.

“I have reviewed the guidelines that are posted electronically on Mrs. Frantz’s webpage and in her google classroom. I will provide support and participate in helping my child be successful in math. If you need to contact me, here are my phone number(s) and email where I may be reached.”

CHILD’S NAME _____

PARENT/GUARDIAN NAME _____

EMAIL _____

HOME/CELL PHONE _____

WORK PHONE _____

BEST TIME/NUMBER TO BE CONTACTED _____

PARENT/GUARDIAN SIGNATURE _____

DATE _____

_____ I will sign up for the Remind app to receive notices about tests, quizzes, and special announcements from Mrs. Frantz. (see separate page with directions and class code.)

_____ I will not sign up for the Remind app to receive notices about tests, quizzes, and special announcements from Mrs. Frantz.
