August/September 2023

Dear Parent/Guardian:

Our school district offers a Title I Math Program for children having problems with Math. The Federal government under the Education Consolidation and Improvement Act, Title I, funds this program. Your child qualified for inclusion into this program based upon scores from classroom performance and further analysis of skills and effort, or parental input.

The Title I Math Program is identical to the regular classroom curriculum, except your child will be working with a classroom teacher and a Title I Math teacher. Title I Math is scheduled at the same time as the regular classroom Math, so your child will benefit from having two Math teachers during the same period. Your child may also participate in small group instruction.

Periodically throughout the school term, you will be asked to attend parent conferences and take part in discussion groups and informative meetings. We urge you to participate whenever possible so that you are aware of the goals of the program and so that we can work together to improve your child's math skills.

If you have any questions concerning the program, please contact the Middle School Principal, Mr. Christopher Czaplak at 570-668-1210 or your child's teacher.

Sincerely,

Dr. Stephen Toth  
Federal Programs Coordinator

---

PLEASE SIGN AND RETURN TO MRS. FRANTZ BEFORE SEPTEMBER 1, 2023

I give my approval for my child \_\_\_\_\_ to participate in

Title I Math Classes during the 2023-24 school year.
