

Morning Health Screenings

- Has your student been diagnosed with COVID-19 in the past 14 days?
- Has your student been in close contact with someone diagnosed with COVID-19 in the past 14 days?
- Has your student or anyone in your household been told they need to self-quarantine in the past 14 days?
 - If you answered “yes” to any of these questions, your student should stay home.
 - If you answered “no” to all of the questions, proceed to the symptom screening.

Symptom Screening

Group A

Fever (100.4 or higher)

Cough

Shortness of breath

Difficulty breathing

Vomiting

Diarrhea

Group B

Sore Throat

Runny/stuffy nose

Chills

Not able to smell or taste

Body Aches

Headache

- Students should stay home if they are experiencing 1 symptom from Group A or 2 symptoms from Group B or if they are taking any fever reduction medicine.
