

## TASD COVID-19 Protocols for Individuals

The following scenarios represent example protocols that will be utilized when individuals in the school setting have multiple symptoms of or have contracted COVID-19. These are given as examples and a baseline for action and notification. These protocols are guidelines and each situation will be handled on an individual basis.

**a. Individual has been tested for COVID-19- Awaiting Results.**

- Individual will remain home until results are received.

**b. Individual has tested positive for COVID-19.**

- Individual will remain home.
- Return after 5-days being asymptomatic or resolving symptoms.
- CDC recommended 5-day masking upon return.
