Below is information about a presentation "Social Media, the Internet, Mobile Devices, and Beyond: What I Don't Know that I Don't Know" hosted by Pottsville Area School District. Pottsville has graciously offered an invitation to Tamaqua Area School District parents and community members.

**Social Media, the Internet, Mobile Devices, and Beyond:**
**What I Don't Know that I Don't Know**

**Date:** December 4, 2013 (inclement weather date is December 9, 2013)  
**Time:** 7:00 - 8:30 P.M.  
**Place:** DHH Lengel Middle School Auditorium, Pottsville Area School District

Would you like to learn more about your child's/student's use of social media, the Internet, mobile devices, apps, and additional related information? Our panel will discuss and take questions about cyberbullying, cybersecurity, cybersafety, cyberprivacy, sexting, child predators, location tracking, and more.

We believe in strong partnerships among the school, home, and community. Social media, the Internet, and mobile devices are important for communications, education, entertainment, research, socializing, business, and commerce, but they can also be problematic and harmful in the hands of some children and students. Therefore, we are offering this program. The panel presenters are:

Dorothy M. Bollinger, Esquire  
The Bollinger Law Firm, LLC, Radnor, PA 19087  
(Attorney Profile can be found at [www.bollingerlawfirm.com](http://www.bollingerlawfirm.com))

Karen Byrnes-Noon, Esquire  
District Attorney, Schuylkill County Courthouse

Chief Joseph Murton  
Pottsville Police Department

Come join the school community to learn more about "Social Media, the Internet, Mobile Devices and Beyond: What You Don't Know that You Don't Know."
