5:00-6:30

Grades

All Grades/Fall Sports

Day 3: **Monday, July 29, 2019**

Time Frame

5:00-6:30

Grades

All Grades/Any Sport

Notes:

In order to offer additional protection for some of our student-athletes, St. Luke's Sports Medicine has offered FREE ImPACT testing for many of our student-athletes. Student athletes will only need to be ImPACT tested **every other year. This means if they were tested last year you will not need to be retested this year.

**We DO NOT test Cross Country or tennis athletes unless requested.

**Test takes approximately 25 minutes. Between 20-25 computers are available for testing.

**Testing WILL ALSO BE arranged prior to the winter and spring sports season for those athletes.

**If fall sports athletes are unable to attend either above date, arrangements need to be made with the athletic trainers.

**For more information contact your head coach or our athletic trainers at:
