

Band Concession Stand 2024

As in the past years, all Band and Band Front members are asked to pay a flat fee of \$10.00 for the Start-up of the Concession Stand.

This is \$10.00 per student in the Band. This money will be used to help defray the cost of setting up the stand along with the chicken fingers and hamburgers.

There will be a list of food that we will need as donations. Each class will be responsible for one home game. A list will be available of what food is needed. Remember with all donations that are made, your child will get 50% of what you spend added to their student account. You must hand in the original store receipt with your child's name and graduation year.

This \$10.00 fee is due the first day of band camp July 29th. Please put it in an envelope marked "Concession Stand" along with your child's name and year of graduation. As always, please make checks payable to Tamaqua Raider Band Boosters.

Thank you,
Stand Committee
Lara McHugh
